

Effective December 23, 2005

HIGHER SECONDARY EDUCATION STATE INSTITUTE "Cerletti" CULTURAL EXCHANGES REGULATION

Point 1

Cultural exchange means an educational activity in all respects, involving not only the use of the foreign language, but also the deepening and linking other subjects of the curriculum, especially the technical-scientific ones. By category it is inserted in a different context from the educational journey.

Point 2

The students of IS.S.I.S.S. "G.B. CERLETTI" will be chosen among all IV or V level classes (age range 18-19). The exchange aims to involve groups of students also coming from different classes, after having properly considered:

- the trend of their results in the current School Year,
- the general school curriculum,
- the skills they showed in the foreign language,
- the willingness to host pen pals during the period in which they travel to Italy.

Furthermore, the students will have to prove to have a responsible behavior, a correct approach and a good adaptability and readiness to meet people.

Point 3

The groups participating in the aforementioned activities are selected by a Commission consisting of the Principal, the Project Manager, the Coordinators and the Foreign Language teachers of the Classes with the students participating in the exchanges. Considering the above, the various Class Councils through the Coordinator will indicate which students are eligible.

Point 4

Accompanying teachers: it is considered necessary that at least one of the accompanying teachers in exchange activities with foreign countries taking place both in Italy and abroad, should be the one teaching Foreign Languages. The number of accompanying teachers will be determined according to the number of students involved and the activities to be performed, in order to guarantee safety and effectiveness.

Point 5

The number of exchanges that can be carried out during the same School Year is set at a maximum of 3, due to the complexity of the organization and the costs

The document was approved / rectified by resolution of the Council of the Institute, December 23rd, 2005
